* The delivery and installation price will vary depending on location.

** The 110+ bottom oven temperature is non-adjustable, when on it will be approximately 120°C.

*** Warming ovens do not have heating elements and take their heat from adjacent ovens.

**** Running costs based on using Eco overnight (2100-0600) and a 3 hour oven delay

Optional Chrome Pack: £150 including VAT for 60 and 90 models, £200 including VAT for all larger models
